Tree of Hope

CREATE A LASTING LEGACY

Financial gifts to Unity Grief and Education Center ensure compassionate grief support is available at no charge to everyone in our communities. Tree of Hope, located in the lobby of Unity Grief and Education Center, recognizes donations made in honor of loved ones or in support of those grieving. Handcrafted leaves and birds can be personalized with a name or special saying. Businesses are invited to sponsor a stone to serve as a rock of hope and strength for those grieving.

Beautifully inscribed leaves, birds and stones, ranging in gift amounts from \$1,000 to \$10,000, will grace

Tree of Hope for five years. Once retired, personal inscriptions will be lovingly moved to our donor recognition placard which will enable additional donations to sustain the center in providing hope and healing.

For more information on how you can support grief programs through Tree of Hope, call Unity Director of Development at 920-338-1111.
