# UNITY'S HONOR & MEMORIAL BRICKS & BENCHES

*Create a lasting tribute that also supports Unity*

The gardens and walking trails located outside Unity's Jack and Engrid Meng Hospice Residence in De Pere, Wisconsin offer a tranquil respite for patients, families and the community to enjoy. Visitors admire heartfelt messages and tributes that appear on bricks and benches placed along the walkways.

Bricks and benches can be purchased and engraved with a personalized message to honor or remember family members, friends, or organizations to create a lasting impression for years to come.

When you purchase an engraved brick or bench to be placed on the Unity Campus, your special tribute also helps support Unity's mission to bring the best end-of-life experience to our communities.

## SUPPORTING UNITY'S MISSION

Each personalized brick and bench serves as a tribute, and also as a gift that helps support Unity's nonprofit care. Honoring a special someone in this way helps Unity continue to provide exceptional care and supportive services to all, regardless of ability to pay. Bricks remain on the grounds; benches will be removed and gifted to the donor after five years.
