

# Unity Does Not Discriminate

Unity Hospice does not exclude people or treat them differently on the basis of race, color, national origin, age, disability or sex.

Unity Hospice provides assistance—without charge and in a timely manner—to people with disabilities and people whose primary language is not English, to help them communicate effectively with us. This assistance includes qualified interpreters and information in alternate formats and languages. If you need these services, please call Unity at 1-800-990-9249, TTY: 711.

If you believe that Unity Hospice has failed to provide reasonable assistance or has discriminated in another way, you can file a complaint with:
