**Unity Nursing Staff Members Achieve Hospice and Palliative Care  
National Certification**

**Green Bay, Wis. – April 08, 2008** – Unity, leaders in hospice and palliative care, today announced three additional members of its nursing staff achieved national certification in hospice and palliative care from the National Board for Certification of Hospice and Palliative Nurses.

Promoting professional development is a core value at Unity. Nursing staff become eligible to sit for the certification exam after completing 2,000 hours or having an equivalent of two years experience in the fields of hospice and palliative care. Certification in hospice and palliative care indicates expertise in end-of-life care and for Unity ensures quality and consistency of care for its patients.

Unity recognizes the growing demand within the communities it serves for quality, end-of-life care services provided by skilled professionals and takes pride in these members of its nursing staff and the large body of certified staff they join:

- Cheryl Sischo, a certified nursing assistant, achieved recognition as Certified Hospice and Palliative Care Nursing Assistant (CHPNA®).
- Unity registered nurses Jessica Bostwick and Sharon DeCleene achieved recognition as Certified Hospice and Palliative Nurses (CHPN®).
