

Unity provides a team of experts to care for patients and families who are facing the emotional, spiritual and physical impacts associated with a life-limiting illness.

Hospice.

Comfort care services for people with a limited prognosis who are no longer receiving curative treatment.

Palliative.

Comfort care provided to patients throughout their illnesses regardless of treatment choices.

Bereavement.

Grief support provided through individual and group counseling, and community outreach.

Unity is based in the Green Bay area with offices in Marinette, Shawano and Sturgeon Bay. We currently serve patients and families living in Brown, Calumet, Door, Forest, Kewaunee, Manitowoc, Marinette, Menominee, Oconto, Outagamie, Shawano and Waupaca counties.

Speakers Bureau

LEADERS IN HOSPICE AND PALLIATIVE CARE

A caring not-for-profit partnership of Bellin Health, St. Mary's and St. Vincent Hospitals

Unity offers a variety of interesting topics focusing on end-of-life care and grief for your organization or club meetings.

Unity has been providing end-of-life care to Northeast Wisconsin since 1977. Our highly qualified staff of professionals and volunteers would like to share their knowledge and experiences with you.

The Unity Speakers Bureau features presenters in the following disciplines:

- ◆ physicians
- ◆ nurses
- ◆ chaplains
- ◆ social workers
- ◆ counselors
- ◆ certified nursing assistants
- ◆ volunteers
- ◆ administrative staff

About Unity's programs: We have programming for elementary through college-aged students, training for employers and faculty, and informational sessions for community organizations. Presentations are tailored to meet your specific needs and vary in length from 30-minutes to a half-day in-service or workshop.

In addition, several members of the Unity staff are certified trainers for:

- ◆ EPEC* (Education for Physicians on End-of-Life Care)
- ◆ ELNEC* (End-of-Life Nursing Education Care)
- ◆ CHPN (Certified Hospice and Palliative Nurse)
- ◆ CHPNA (Certified Hospice and Palliative Nursing Assistant)

Training programs are 2-day workshops appropriate for all medical professionals interested in providing quality end-of-life care.
