

Filled with Love

Unity

Unity has a special group of volunteers who create **teddy bears** and **pillows** from treasured fabric or garments.

This is a unique way to preserve something like a favorite shirt or blanket that is no longer used, but is too cherished to part with because it is filled with memories.

If you would like a teddy bear or pillow made by Unity's Filled with Love volunteers, at no charge, simply mail or deliver this completed form with your special fabric to Unity. Please ensure your fabric has been cleaned.

You will be called when your keepsake is ready for pickup.

Please print clearly and mail or deliver this card along with your fabric to Unity's main office:
