

Quilts

You are invited to participate in Unity's Quilt Project —
a symbol of love and memories.

The quilt square that is decorated in honor of your loved one will be joined with those made by other family members and friends whose loved ones have died. The design can be as simple as writing a name in marker or embroidery, transferring an iron-on picture to the fabric square, or attaching items that are meaningful to you or your loved one.

You may even wish to consult an embroidery or craft shop to help you with a more complex design.

If you are interested in creating a square for someone special, please complete and mail the reverse side of this card. A blank square of fabric with complete instructions will be mailed to you, at no cost.

*"Families and friendships
are like quilts...
lives pieced together, stitched with
smiles and tears,
colored with memories, and
bound by love."*
