

Volunteering with Unity

Unity VOLUNTEERS

***A tremendous
group of people
committed to caring!***

Volunteers are a very special and important part of Unity's team – supporting our mission to provide quality hospice, residential hospice, palliative and bereavement care in 12 counties in Northeast Wisconsin.

At Unity, volunteers of all ages make a big difference every day. Whether during the day or evening, and for whatever time commitment they wish to give, these generous people support Unity in the following areas ...

Patient/Family Care
Creative Projects
Office Assistance
Hospice Residence Support
Community Outreach

Unity values the knowledge, talent and desire that each volunteer brings to our organization. Training is provided based on areas of interest.

If you are interested in joining other members of your community in volunteering with Unity, call 920-338-1111 or 800-990-9249, or learn more at www.unityhospice.org.

"To volunteer is to give of your time and talents. But it also gives back, to you, a sense of meaning to your days through friendships and the warm feelings you receive whenever you share with others." –Unity Volunteer
