

# Unity VOLUNTEERS

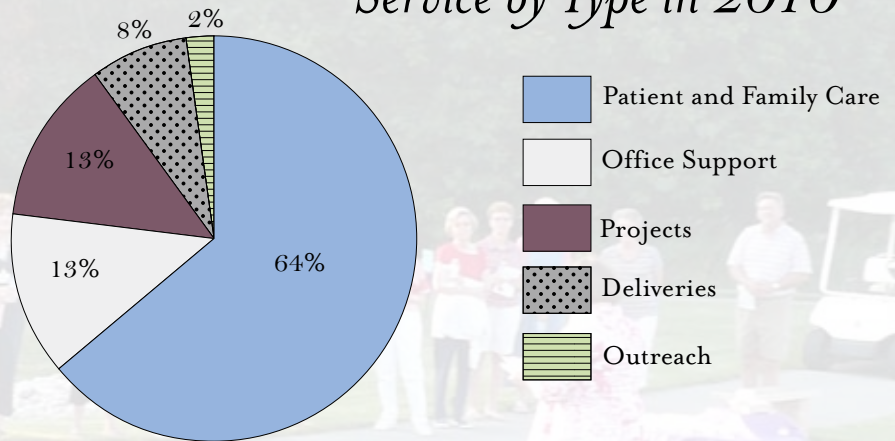

## Volunteer Service in 2010

Volunteers for Unity support patients and families in a variety of capacities throughout our 12-county service area. In 2010, **266 Unity volunteers** supported our community's care needs by donating **25,125 hours of service**. This translates to a **savings of \$446,974**.

Of these hours, 12,303 counted towards the Medicare-mandated requirement for five percent of hospice patient care hours to be provided by volunteers.

These special people make a difference in the lives of so many people, and we could not fulfill our mission without their passion and skills.
