Golf Event Raises Funds to Support Unity's Charity Care

Green Bay, Wis. – July 6, 2010 – Unity, leaders in hospice and palliative care, today announced the receipt of a donation of over \$3,000 raised by Phi Delta Theta, the St. Norbert College Chapter of the fraternity, through their 4th Annual Charity Golf Outing.

Held at Royal Scot Golf Course on May 21st, the golf outing welcomed active and alumni members and friends of the fraternity as well as supporters of Unity. Charitable giving by the 108 attendees through on-course events and raffles, as well as sponsorship support from the community, made the event a success. Over 20 volunteers from both the fraternity and Unity helped throughout the day.

"It has been a truly great experience being involved with such a caring group of people," said Rob Hayes, alumni of Phi Delta Theta fraternity and Golf Outing Organizer. "With the combination of networks that Unity and Phi Delta Theta consist of, success can almost be guaranteed. I find it quite inspiring to see so many individuals take time out of their busy day to help support such a valuable community partner. Having fun never hurts anything either!"

Nicole Curran, Unity Executive Director, commented, "We are honored to receive support from Phi Delta Theta, their extended network of alumni and affiliations, as well as the organizations and friends of Unity. This event demonstrates the tremendous backing Unity receives from the community to support the ever-increasing charity care we provide ensuring that those who need our care receive it."

About Phi Delta Theta

Phi Delta Theta, St. Norbert College Chapter, was established in April 2003 with the hopes of organizing hard working, community involved students who wanted to do more with their time at St. Norbert College.
